CLERK: (mic inactivated) . . . by Senator Skarda of the 7th District. Read title. There are committee amendment by Senator Gary Anderson's committee.

SENATOR ANDERSON: Mr. President, members of the Legislature, the committee amendment to LB 421 restricts the license . . . the additional license opportunity to either a city of the primary or metropolitan class, which means basically Lincoln or Omaha. It does not extend the extra license provision beyond those two cities. The original bill allowed it to apply to all cities in the state. This makes it apply only to Lincoln and Omaha. I move the adoption of the amendment.

PRESIDENT: The amendments are adopted. Senator Skarda.

SENATOR SKARDA: Mr. President, I move that 421 be advanced to E & R for initial. Basically, the bill in its original inception pertained to all cities and villages in the State of Nebraska. The amendment provides for only Lincoln and Omaha to be participants of this additional license. The bill itself was originally requested by the Mayor of Omaha for the purpose of the Orphium Theater. They have cocktails at intermission during the show. In addition to that they have a desire to extend it to some golf courses in Omaha.
